35mm
FROM WALL

TITAN PREMIUM TV WANDHALTER | SUPER SLIM FULL MOTION | VESA 400

This ultra-flat TV wall bracket can be set back to a wall distance of just 3,5cm

- Very strong 4-arm-construction made of aluminum+steel
- Patented Torque-Adjust-Function
The effort for swing and tilt depends on the weight of the screen. This bracket offers a patented torque adjustment function which allows to adjust the torque for the swing and the tilt function according to individual comfort requirements. The screen can be moved just by finger tip.
- Ultra-flat profile of just 35mm
- High max. weight load of 35 kg
- Fast & easy installation
- Very smooth motion
- Cable management
- For screen sizes up to 165cm / 65"
- VESA 100*100 bis 400*400
- Wall distance 35-360 mm
- Swivel +/- 60°
- +/-12° stepless tilt
- Incl. wall fixing kit (made by Fischer®)
