TV Table Stand

600 x 400 max. VESA

kg max. 45kg

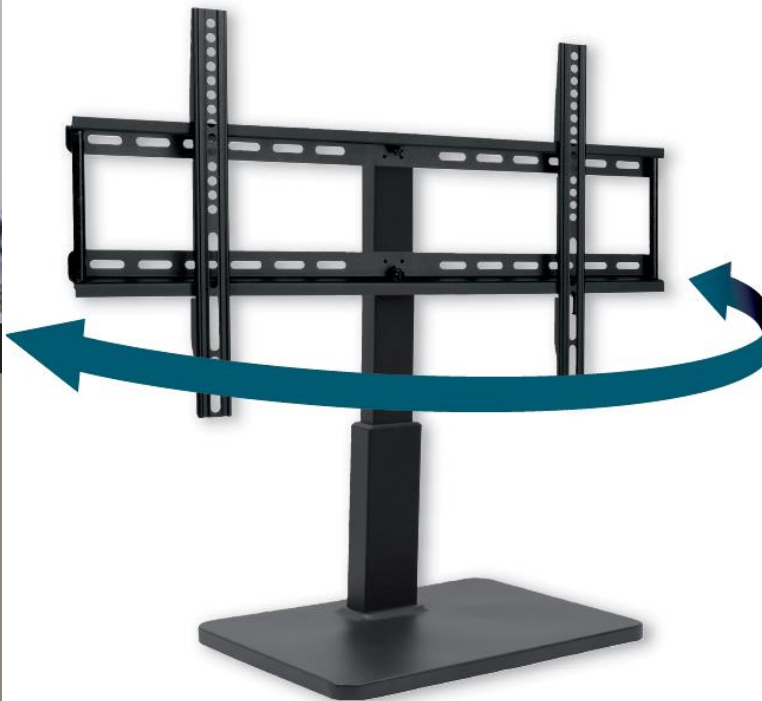

+/- 30° Swing

+/- 2° Level Correction

Height correction 41/45/49/53cm

up to

178cm / 70"

TITAN TV table stand for screen sizes up to 70" / 178cm

The perfect alternative to wall mounting. Most televisions stand firmly on a piece of furniture or a low board. They can not be swiveled or adjusted in height. With this swiveling and height-adjustable TV table stand you can change your sitting position without any problems. Guaranteed without drilling and wall mounting.

- VESA 100x100 / 100x150 / 100x200 / 200x100 / 200x200 / 200x300 / 200x400 / 300x200 / 300x300 / 400x200 / 400x300 / 400x400 / 600x400
